CHAIRMAN'S LETTER

Dear Fellow Jefferson Shareholder:

On behalf of the Board of Directors and your team of Jefferson Bankers, I am pleased to report the unaudited results for the Fourth Quarter, 2012.

Net Income after tax for 2012 was \$1,344,000 and \$688,000 for the Fourth Quarter.

Operating profits were \$353,000 for the year and \$77,000 for the quarter.

Net Extraordinary Income was \$991,000 for 2012 which were primarily gains on sale of investments. Opening Palm Harbor and Tarpon Springs offices in a nine month span strained our short term operating profitability however Jefferson remains profitable from operations and the offices continue to grow.

Loans and deposits grew 29% and 28% respectively during 2012. Asset Quality remains very high and the loan loss reserve ended the year at a conservative 2.17% of loans.

In November, Jefferson purchased the former

Wachovia office outparcel at the southwest corner of Alderman & U.S. 19 where we will relocate the existing Palm Harbor office in mid-2013.

The response to last quarter's shareholder letter about buying or selling Jefferson Bank common stock was six buyers and only two willing to sell. The Board is looking into an Electronic Bulletin Board (EBB) listing for Jefferson Bank stock. While this will not require full SEC reporting, it will facilitate the buying and selling of our stock and allow "street name" at your brokerage account making that more convenient for our shareholders. We will let you know in advance of any change.

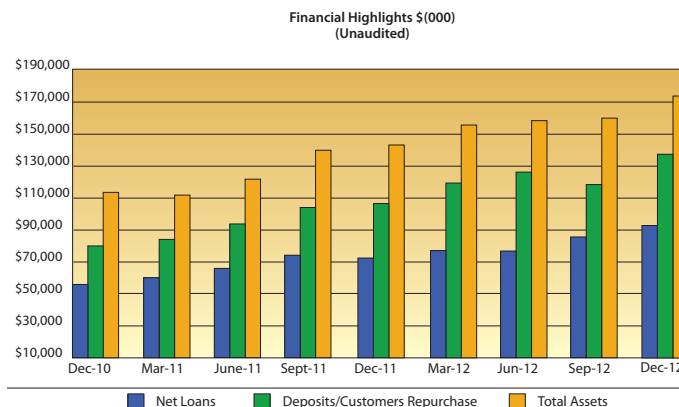

I am pleased to announce Rose Fasano was elected Assistant Vice President in December. Well deserved Rosie! Also, in December Cheryl Holly joined Jefferson from Synovus to run the Oldsmar office.

Your referrals are the strongest endorsement we can receive. Please remember to tell your friends, family and business associates about the great service at Jefferson Bank.

Thank you for your confidence and business,

Sincerely,

Robert B. McGivney
Chairman / CEO
